ANDREA GILLIAM

Executive Coach

Andrea brings a combination of legal, entrepreneurial, and coaching experience to her work with lawyers and legal professionals. Before coaching, she spent several years as a labor and employment attorney at Paul Hastings and the U.S. Department of Labor, giving her firsthand insight into the pressures and culture of legal environments. She has also co-founded, developing a practical understanding of what it takes to build a team and make sound decisions in high-stakes moments.

She is an ICF-certified coach (ACC) and credentialed mediator who has designed and led leadership programs for corporate executives, law firm professionals, and nonprofit leaders. Andrea holds a J.D. from UC Berkeley School of Law and two B.A. degrees from UC Santa Barbara, and has completed additional training including Crucial Conversations, ROI Methodology, BetterUp Coaching Foundations, BetterUp Deep Listening & Guiding the Process, and u-lab: Leading From the Emerging Future.

Drawing on this mix of experience, Andrea helps lawyers build the leadership skills often overlooked in legal training, including communication, self-awareness, and working well with others, equipping them to lead with greater confidence and effectiveness.
